MY RETURN TO HARRIS COUNTY JAIL ON 5/25/97. THANKING
YOU FOR THE FELLOWSHIP YOU HAD GIVEN ME SO THAT
I COULD SPEND MY SON'S 1ST BIRTHDAY WITH HIM.
AGAIN THANK YOU!

YOUR HONOR I HAVE FOUND OUT THIS MORNING
FROM MY MOTHER THAT MY FATHER HAS IN-OPERABLE
LIVER CANCER & HAS 3 MONTHS TO LIVE. YOUR
HONOR I DO NOT WANT TO LOSE MY FATHER &
CERTAINLY NOT WHILE INCARCERATED. I HAD ASKED
YOU TO RE-CONSIDER MY SENTENCE OF 2 YEARS
T.D.C. & CONSIDER RESENTENCING ME TO POSSIBLY
STARTING OVER MY PROBATION OR SENTENCING ME
TO POSSIBLY A LENGTHY PERIOD OF WEEKEND TIME
WITHIN THE COUNTY JAIL. THIS WOULD ALLOW ME
TO TAKE CARE OF MY FAMILY. ALL OF THE ABOVE
INFORMATION (RE: MY FATHER) IS VERIFIABLE EITHER
BY CONTACTING MY MOTHER ROSALEE RHODES - 281-356-7213
OR NORTHWEST MEDICAL CTR - 281-440-1000. OR HIS

SO I HAVE PREPARED A MOTION TO REDUCE SENTENCE
& MAILED IT TO THE CLERK OF COURT AT THE SAME
TIME THIS LETTER WAS MAILED. (CASE # 667238

This day this cause being again called the State appeared by her District Attorney as named above, and the Defendant as named above appeared in open court in person, and either with his Counsel as named above or knowingly, intelligently and voluntarily waived the right to representation by counsel as indicated above. Then came on to be heard the motion of the State's Attorney that the community supervision of the Defendant be revoked.

The court having heard and considered said motion, the defendant's plea thereto, and the evidence submitted, it appears that on the above indicated date of community supervision, the defendant was finally convicted of a felony and his punishment was assessed at confinement in the Institutional Division or State Jail Division, Texas Department of Criminal Justice, as indicated above, for the period indicated above, and a fine, if any, as indicated above. The imposition of the sentence was suspended and the defendant was placed on community supervision for a term of 10 years, and that said defendant has violated the conditions of his community supervision in that:

He did ingest/inject cocaine evidenced by the presence of cocaine Metabolite in urine samples taken from him on 4-24-1997, 10-24-1997, 2-28-1998. further he failed to report as court ordered, he failed to perform begin community service as court ordered; he failed to pay supervision fee & restitution as court ordered.

It is therefore ORDERED, ADJUDGED and DECREED by the Court that the order suspending the imposition of the sentence, and placing the defendant on community supervision, previously entered in this cause, is hereby revoked, and it is ordered by the court that the defendant be now sentenced in accordance with the judgment previously entered in this cause and in compliance with this order, or, it appearing to the court that the ends of justice will best be served by a reformation of the judgment from the original punishment assessed as indicated above to the reformed punishment as indicated above.

And thereupon the said Defendant was asked by the Court whether he had anything to say why sentence should not be pronounced against him, and he answered nothing in bar thereof. Whereupon the Court proceeded, in the presence of said Defendant, to pronounce sentence against him as follows, to wit: "It is the order of the Court that the Defendant, named above who has been adjudged to be guilty of the offense indicated above, a felony, and whose punishment has been assessed at confinement in the Institutional Division or State Jail Division, Texas Department of Criminal Justice, as indicated above, for the period indicated above, be delivered by the Sheriff of Harris County, Texas, immediately to the Director of the Institutional Division or State Jail Division, Texas Department of Criminal Justice, or other person legally authorized to receive such convicts, and said Defendant shall be confined in said Institutional Division or State Jail Division, Department of Criminal Justice for the period indicated above, in accordance with the provisions of the law governing the Institutional Division or State Jail Division, Texas Department of Criminal Justice.

The said Defendant was remanded to jail until said Sheriff can obey the directions of this sentence.

Section 4

1 SECOND DEGREE FELONY: a term of not more than 20 years or less than 2 years in the Institutional Division of the Texas

I understand the above allegations and I confess that they are true and that the acts alleged above were committed on

June 20, 1996

In open court I consent to the oral and written stipulation of evidence in this case and to the introduction of affidavits, written statements, of witnesses, and other documentary evidence. I am satisfied that the attorney representing me today in court has properly represented me and I have fully discussed this case with him.

I intend to enter a plea of guilty and the prosecutor will recommend that my punishment should be set at

4 mo. Harris Co. Jail § 12.44(a)

and I agree to that recommendation. I waive any further time to prepare for trial to which I or my attorney may be entitled.

(for Larry Sandberg)

This document was executed by the defendant, his attorney, and the attorney representing the State, and then filed with the papers of the case. The defendant then came before me and I approved the above and the defendant entered a plea of guilty. After I admonished the defendant of the consequences of his plea, I ascertained that he entered it knowingly and voluntarily after discussing the case with his attorney. It appears that the defendant is mentally competent and the plea is free and voluntary. I find that the defendant's attorney is competent and has effectively represented the defendant in this case. I informed the defendant that I would not exceed the agreed recommendation as to punishment.

STATEMENTS AND WAIVERS OF DEFENDANT

NOW COMES the Defendant in the above captioned cause and makes the following statements and waivers prior to the Court accepting my plea of guilty or plea of nolo contendere.

[Signature] (1) I am mentally competent and I understand the nature of the charge against me;

[Signature] (2) I understand the admonishments of the trial court set out herein;

[Signature] (3) I hereby WAIVE the right to have the trial court orally admonish me;

[Signature] (4) I WAIVE the right to have a court reporter record my plea;

[Signature] (5) I represent to the trial court that the State will make the plea bargain agreement or recommendation, if any, set forth in the Waiver of Constitutional Rights, Agreement to Stipulate, and Judicial Confession herein and I understand the consequences, as set out above, should the trial court accept or refuse to accept the plea bargain or plea without an agreed recommendation;

[Signature] (6) I understand that before sentence may be imposed, the Court must order preparation of a Presentence Investigation Report by the probation officer pursuant to Article 42.12, Sec. 9, V.A.C.C.P. I have thoroughly discussed this matter with my attorney and believe that for the Court to compel me to participate in the preparation of such a report would abridge the protection provided me by the Constitution of the United States and the Constitution and laws of the State of Texas and could result in further prejudice to me. Therefore, I hereby in writing respectfully decline to participate in the preparation of a Presentence Investigation Report and request that said report not be made prior to the imposition of sentence herein. I further knowingly, voluntarily, and intelligently waive any right which I may have to the preparation of said report either under Article 42.12, Sec. 9, V.A.C.C.P. or under Article 42.09, Sec. 8, V.A.C.C.P.;

[Signature] (7) I understand that if the Court grants me Deferred Adjudication under Article 42.12 Sec. 3d(a) V.A.C.C.P. on violation of any condition I may be arrested and detained as provided by law. I further understand that I am then entitled to a hearing limited to a determination by the Court of whether to proceed with an adjudication of guilt on the original charge. If the Court determines that I violated a condition of probation, no appeal may be taken from the Court's determination and the Court may assess my punishment within the full range of punishment for this offense. After adjudication of guilt, all proceedings including the
